CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate small and mid-sized companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration.

Given that the companies listed on GEM are generally small and mid-sized, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

To the Shareholders

Dear Sirs or Madam,

**GENERAL MANDATES TO ISSUE NEW SHARES AND
REPURCHASE SHARES,
RE-ELECTION OF RETIRING DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

Introduction

At last annual general meeting held on 3 August 2020, general unconditional mandates were given to the Directors to exercise all powers of the Company to:

- (a) allot, issue and deal with the Shares with an aggregate nominal amount of not exceeding the sum of 20% of the aggregate nominal amount of the share capital of the Company in issue immediately following completion of the Share Offer and the Capitalisation Issue;

LETTER FROM THE BOARD

- (b) purchase the Shares with an aggregate nominal amount of not exceeding 10% of the aggregate nominal amount of the share capital of the Company in issue immediately following completion of the Share Offer and the Capitalisation Issue; and
- (c) add to the general mandate for issuing Shares set out in (a) above the aggregate nominal amount of Shares purchased by the Company pursuant to the repurchase mandate set out in (b) above.

The above general mandates will expire at the conclusion of the AGM, unless renewed at that meeting.

The purpose of this circular is to provide you with information in respect of the resolutions to be proposed at the AGM for (i) granting the general mandates to the Directors to allot, issue, deal with new Shares and repurchase existing Shares; and (ii) the re-election of the retiring Directors.

Proposed Grant of General Mandates

Three respective ordinary resolutions will be proposed at the AGM for the purposes of granting the general mandates to the Directors:

- (a) to allot, issue and otherwise deal with additional Shares with the aggregate nominal amount not exceeding the sum of 20% of the aggregate nominal amount of the share capital of the Company in issue (the “**Issue Mandate**”) as at the date of passing the resolution approving the Issue Mandate (subject to adjustment in case of any conversion of any or all of the Shares into a larger or smaller nominal amount of Shares after approving the Issue Mandate);
- (b) to repurchase Shares with the aggregate nominal amount not exceeding the sum of 10% of the aggregate nominal amount of the share capital of the Company in issue (the “**Repurchase Mandate**”) as at the date of passing the resolution approving the Repurchase Mandate (subject to adjustment in case of any conversion of any or all of the Shares into a larger or smaller nominal amount of Shares after approving the Repurchase Mandate); and
- (c) to add to the general mandate for issuing Shares set out in (a) above the aggregate nominal amount of Shares repurchased by the Company pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

Based on 320,000,000 Shares in issue as at the Latest Practicable Date and on the basis that no new Shares will be issued and no Shares will be repurchased by the Company for the period from the Latest Practicable Date up to and including the date of the AGM:

- (1) subject to the passing of the proposed resolution granting the Issue Mandate to the Directors, the Company will be allowed under the Issue Mandate to issue up to a maximum of 64,000,000 Shares, representing 20% of the Shares in issue as at the Latest Practicable Date; and
- (2) subject to the passing of the proposed resolution granting the Repurchase Mandate to the Directors, the Company will be allowed under the Repurchase Mandate to repurchase up to a maximum of 32,000,000 Shares, representing 10% of the Shares in issue as at the Latest Practicable Date.

The full text of these resolutions are set out in Resolution 7 (“**Issue Mandate**”), Resolution 8 (“**Repurchase Mandate**”) and Resolution 9 in the notice of the AGM contained in pages 14 to 18 of this circular.

The aforesaid mandates, unless revoked or varied by way of ordinary resolutions of the Shareholders in general meeting, will expire at the conclusion of the next annual general meeting of the Company, which will be convened on or before 30 September 2022.

In accordance with the requirements set out in the GEM Listing Rules, the Company is required to send to Shareholders an explanatory statement containing requisite information to consider the Repurchase Mandate subject to certain restrictions, which are set out in Appendix I to this circular.

Re-election of Retiring Directors

In accordance with Article 84(1) of the Articles of Association, at each annual general meeting one-third of the Directors for the time being (or, if their number is not a multiple of three (3), the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years.

Accordingly, Mr. Chak Chi Man and Mr. Chu Wai Wa Fangus will each retire and, being eligible, offer themselves for re-election at the AGM.

Details of the retiring Directors proposed to be re-elected as Directors at the AGM, which are required to be disclosed by the GEM Listing Rules, are set out in Appendix II to this circular.

LETTER FROM THE BOARD

AGM

The notice convening the AGM is set out on pages 14 to 18 of this circular.

A form of proxy for use at the AGM is enclosed with this circular. Whether or not you intend to attend the AGM, you are requested to complete and return the form of proxy to the Company's Branch Share Registrar in Hong Kong, Tricor Investor Services Limited at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for the holding of the AGM (i.e. 11:00 a.m. on 31 July 2021) or any adjournment thereof. Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting if you so wish and in such event, the proxy form shall be deemed to be revoked.

Pursuant to Rule 17.47(4) of the GEM Listing Rules, any vote of the Shareholders at a general meeting must be taken by way of poll. Therefore, all proposed resolutions put to vote at the AGM shall be taken by way of poll.

Responsibility Statement

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the GEM Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

Recommendation

The Directors consider that the proposed granting of the Issue Mandate and the Repurchase Mandate and the re-election of the retiring Directors are in the best interests of the Company and the Shareholders as a whole and recommend the Shareholders to vote in favour of such relevant resolutions to be proposed at the AGM.

Yours faithfully,

For and on behalf of the Board of

DCB Holdings Limited

Cheng Tsang Fu Dennis

Chief Executive Officer and Executive Director

This appendix serves as an explanatory statement, as required by the GEM Listing Rules, to provide the requisite information to you for your consideration of the Repurchase Mandate.

Shareholders' Approval

The GEM Listing Rules provide that all repurchase of securities by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by specific approval in relation to specific transactions.

Share Capital

As at the Latest Practicable Date, 320,000,000 Shares were in issue and fully paid.

Subject to the passing of the relevant ordinary resolutions and on the basis that no further Shares are issued and repurchased prior to the AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 32,000,000 Shares, representing 10% of the aggregate nominal value of the Shares in issue.

Reasons for Repurchase

The Directors believe that it is in the best interests of the Company and its Shareholders for the Directors to have a general authority from Shareholders to enable the Company to repurchase Shares in the market. Repurchase of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders as a whole. Such repurchase may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

Funding of Repurchase

Any repurchase will only be funded out of funds of the Company legally available for the purpose of making the proposed purchases in accordance with the Company's Memorandum and Articles of Association and the laws of the Cayman Islands.

Effect of Exercising the Repurchase Mandate

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the Company's audited financial statements for the year ended 31 March 2021) in the event that the repurchase of Shares were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not

propose to exercise the repurchase of Shares to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Directors and Core Connected Persons

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their respective close associates have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Share to the Company or its subsidiaries.

No Core Connected Persons have notified the Company that they have a present intention to sell Shares to the Company or its subsidiaries, or have undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

Directors' Undertaking

The Directors have undertaken to the Stock Exchange that they will exercise the powers of the Company to make repurchase pursuant to the Repurchase Mandate in accordance with the GEM Listing Rules and the applicable laws of the Cayman Islands.

Effect of the Takeovers Code

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of our Shareholders, could obtain or consolidate control of our Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code as a result of a repurchase of Shares made.

As at the Latest Practicable Date, based on the information available to the Company, the Controlling Shareholder was interested in 214,400,000 Shares. On the basis that no further Shares are issued or repurchased prior to the AGM and if the Repurchase Mandate of 32,000,000 Shares is fully exercised, the percentage shareholding of the Controlling Shareholder will be increased from approximately 67.0% to approximately 74.44% of the issued share capital of the Company. Such increase in shareholding of the Controlling Shareholder will not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code.

Save as aforesaid, the Directors are not aware of any other consequence under the Takeovers Code as a result of a repurchase of Shares made pursuant to the Repurchase Mandate. The Directors do not propose to exercise the Repurchase Mandate to such extent that the public shareholding would be reduced to less than 25% of the issued share capital of the Company.

Share Repurchase made by the Company

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months immediately preceding the Latest Practicable Date.

Share Prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months before the Latest Practicable Date were as follows:
